you need to find out how to do anything, which includes learning how to open doors to get weapons, the servers are almost always empty, and the bots are really dumb.. Would be good if it worked. You don't start with the items it says you should. Bots are stupid as hell, no servers or people to play against and no instruction on controls etc. if there were loads more people playing and there was more clear instruction it could be good.. you need to find out how to do anything, which includes learning how to open doors to get weapons, the servers are almost always empty, and the bots are really dumb..
